Container Capacity Improvement Program

Email Invitation to Participate in Project Definition Consultation for the proposed Roberts Bank Terminal 2 Project

Dear Stakeholder,

Port Metro Vancouver invites you to participate in Project Definition Consultation regarding the proposed [Roberts Bank Terminal 2 Project](#) between October 22, 2012 and November 30, 2012. As part of this consultation, Port Metro Vancouver will present information regarding the conceptual project design, and will seek input regarding elements of the project related to refining the design and developing environmental mitigation plans.

The Roberts Bank Terminal 2 Project is a proposed new multi-berth container terminal at Roberts Bank in Delta, BC that could provide 2.4 million TEUs (twenty-foot equivalent unit containers) of container capacity. The project is part of Port Metro Vancouver's Container Capacity Improvement Program, a long-term strategy to deliver projects to meet anticipated growth in demand for container capacity to 2030.

For more information on the proposed Roberts Bank Terminal 2 Project, as well as how you can participate in consultation, please visit the [Roberts Bank Terminal 2 Project website](#).
